

CPT Cosmec Piccinini Technology srl

Building the future together

This was the Ceramitec slogan of the new company CPT, which recently emerged as a conglomeration out of the two Italian plant and equipment manufacturers Cosmec and Piccinini. The joint venture is intended to supply the brick and tile industry with technology for extruding, drying, firing, unloading and storing products – in addition to process automation.

CPT Cosmec Piccinini Technology srl

Zusammen die Zukunft bauen

Unter diesem Slogan präsentierte sich die neue Firma CPT, die aus den beiden italienischen Anlagenbauern Cosmec und Piccinini hervorgegangen ist. Gemeinsam will man der Ziegelindustrie Technologien zum Extrudieren, Trocknen, Brennen, Entladen und Lagern der Produkte sowie Prozessautomatationen anbieten. ■
