

- A1 A2** **Stones / Soils**
 - Stones, soils • Sand-lime brick • Concrete / porous concrete • Pumice / fiber-cement building materials
 - Dry interior finishing • Prefabricated building • Plasters • Floor pavements • Insulating materials
- A3** **Bricks / Roof building**
 - Bricks • Roof tiles • Chimney-building materials • Roof-building materials • Dormer windows
- A4** **Stone / Cast stone / Outdoor design**
 - Stone • Cast stone • Accessories • Garden and landscape architecture • Street and park furnishings
 - Street and park lighting • Demarcations • Play equipment
- A4 A5** **Chemical Building Products**
 - Plasters / varnishes / paints • Adhesives • Protection against heat, cold, fire and noise
 - Insulation materials • Seals • Building tools
- A6** **Tiles / Ceramics**
 - Tiles • Glass tiles • Ceramics • Sanitary technology / objects • Fittings • Accessories
- B0** **Materials / Products for Interiors**
- B0** **Renovation & Modernisation**
 - Seminars • Product innovations • Institutions • Services • Publishing companies
- B1 C1** **Aluminium**
 - Aluminum profiles / systems • Facade systems • Sunshade systems
 - Windows • Doors / gates / frames
- Machines / tools for aluminium / steel processing**
- B2** **Steel / Stainless Steel / Zinc / Copper**
 - Profiles, structural steel systems • Doors / gates / frames • Facade systems • Sunshade systems
 - Windows • Stainless Steel • Zinc and copper surfaces / systems
- B2** **Energy / building technology**
 - Solar technology / photovoltaics / solar thermics • Heating technology • Ventilation technology
 - Air-conditioning technology
- B3 C3** **Gate / Parking systems**
 - Gate systems • Parking systems • Drive technology • Doors / gates / frames • Accessories
 - Lifts and escalators • Building automation / control
- B4 C4** **Locks / Fittings / Security**
 - Locks • Cylinders • Fittings • Anti-intrusion systems • Access-control systems • Accessories
- Doors and windows**
 - Wood • Plastics • Glass • Aluminium • Roller blinds / sunshade systems
- B5** **Wood / Plastics**
 - Wood materials • Plastics • Timber construction • Interior work • Stairs • Accessories
- B6** **Floor coverings**
 - Elastic • Textiles • Parquet • Laminates • Sporting facility floors • Strips and profiles
- C2** **Glass**
 - Glass building materials • Glass facades • Glass structures • Foils
- Building automation / control**
- C3** **Software and hardware for construction (BAU IT)**
- F** **Open-air area**
- ICM** **ICM - International Congress Centre Munich**
Congresses, Seminars, Specialty events
